Step by Step process for HEC Approved Ph.D. Supervisors

The HEC Approved Supervisors program aims to assist PhD students by pairing them with qualified and experienced faculty members of HEC recognized universities, degree awarding institutions, and R&D organizations. For this purpose, HEC requires PhD supervisors to be continuously evaluated and approved. HEC issues award letter to those PhD faculties, who have applied and attained the title **'HEC Approved Supervisor'**, meeting all terms and conditions of the program, explained in detail in this document.

To become HEC approved supervisor, the applicants is required to get their **PhD degrees**/ **Equivalence Certificates attested BEFORE** proceeding with their application for 'HEC Approved Supervisor.'

The Quality Enhancement Cell (QEC) at IBA is happy to assist faculty members in applying for the HEC Approved Supervisors Application (ASA). If, however, anyone wants to apply on their own, the guide below can be used to understand the requirements and the process flow. In case of any query, please reach out to us at <u>qec@iba.edu.pk</u> or on Ext. 1834, 1837 and 2488.

The procedure for getting HEC approval for Approved Supervisor is explained below.

Step 1: Eligibility Criteria

Before proceeding for the PhD approved supervisor process, faculty **should check for the eligibility criteria**, as described by HEC. The eligibility criteria for HEC approved PhD supervisors is given below:

General eligibility criteria for HEC approved PhD supervisors

- 1. A **PhD degree** from an HEC-recognized national university/degree awarding institute (DAI), or reputable international university/institute.
- 2. A **position of faculty member** (regular/adjunct/visiting) or researcher at a public or private university or DAI, or position of researcher or scientist at any R&D or Public sector organization.
- 3. Approval from the head of institution, i.e. Vice Chancellor or Rector (for visiting/adjunct faculty only) for applying for this process.

In addition to the above requirements, HEC specifies certain discipline wise requirements, as mentioned below:

Specific requirement for Science and Technology

Approved Supervisors must have:

1. At least two research publications in the past five years with ISI (Institute of Scientific Information, USA) indexed journals with a significant Impact Factor

OR

2. A cumulative Impact Factor of minimum 5.00 or more for their entire research publication record. They must have at least one recognize publication in last three years at time of Re-evaluation.

OR

3. A PhD degree obtained within the last five years from a reputable foreign university along with at least one publication.

Specific requirement for Social Science, Arts and Humanities, and Business Education

- 1. Candidates holding foreign PhD degrees from reputable international universities:
 - Candidates who have completed their **PhD in the last five years** will be required to have **AT LEAST ONE** publication.
 - Candidates who completed their **PhD more than five years ago** must have:
 - Three local publications in the last five years in at least 'Y' category HEC-recognized journals

OR

- Three publications in journals listed in the Social Sciences Citation Index (SSCI), Social Science Research, Arts & Humanities Citation Index (A&HCI) and Arts & Humanities Search.
- 2. Candidates holding local PhDs:
 - International teaching/research/fellowship experience at the post-doc level for at least a semester, and three publications in the last five years in at least a 'Y' category HEC-recognized journals

OR

• At least **two publications in the 'X' category and one publication the 'Y' category** of HEC-recognized journals

OR

• **Three publications in journals listed** in the Social Sciences Citation Index (SSCI), Social Science Research, Arts & Humanities Citation Index (A&HCI) and Arts & Humanities Search.

If the faculty meets the above criteria and is eligible then they can move to the next steps, otherwise, they need to fulfill the requirements in step 1 before moving forward with their application.

Step 2: Creation of e-portal account for new users

Once you have read through the eligibility criteria, please click on HEC link to **create your user profile**, <u>http://eportal.hec.gov.pk/asa</u>. This link will take you to a dashboard; see the screenshot below:

Step 3: Information for new users

Once you are on the dashboard and if you are a **'new user'** you will be required to create your profile. You can do this by clicking on the **'register'** button. If you have a profile previously created for any reason, use the same user ID and password to log into the HEC's e-portal. New users will be required to develop a common profile. Specifically, following information will be required:

- 1. Nationality
- 2. CNIC type (CNIC or POC)
- 3. CNIC number
- 4. Region
- 5. Password (you will have to create a password)
- 6. Cell phone number
- 7. Primary email address. *We encourage you to register with your official IBA email address.*

Once you have entered your mobile number and email address, click on send code. You will receive a code and will be asked to verify it. Once you have verified and submitted the code, the system will show you the following message:

You can now enter your user ID and password to log in to your HEC's e-portal and you will be directed to the following homepage:

Step 4: Completion of common profile

On the main homepage of the HEC, as shown in the screenshot in step 3, the applicant will be asked to complete the profile. Following is the information which the applicants are required to fill:

- 1. Personal Detail
- 2. Contact
- 3. Education
- 4. Employment
- 5. Publication

While entering the publication details, kindly follow the below steps:

- *Click YES' on search in HEC database*
- Once you click yes, search your publication either through 'journal name' or 'ISSN' number.

The system will NOT consider the publication detail filled manually

The information section is not limited to only above-mentioned areas in the portal. Applicants are required to complete the profile and with each section once filled, 'save' the information before proceeding to next section. This is to ensure that you have previous information stored in the system in case you decide to complete the process in more than one sitting. Please remember that

you are required to provide the copy of your PhD degree 'ONLY'. There is 'NO' need to provide copies of previous transcripts and degrees.

Step 5: Approved Supervisor Application (ASA)

You will find the approved supervisor application form on HEC's e-portal, by clicking on **'Scholarships and Grants'** on the left 'navigation' tab, as shown in the screenshot below:
